

Attention All Melton Heads A Must Attend CPD Day!

8.45am Wednesday 19th January 2011

ART PACKS - ART CLASSES IN A BOX

- ★ During the past three years Dean the Art Wizard has been providing very unique art classes to schools in the Melton area. His very creative approach in delivering art classes based on healthy eating or recycling themes are well known.
- ★ Dean's healthy eating superhero/villain sculpture service is still available to meet the creative curriculum project, Dean is now also able to offer highly value-added and cost effective products - Art packs - Art Classes In A Box.

CPD Day

ART PACKS - ART CLASSES IN A BOX

These Art Packs are self contained. They consist of all the instructions and resources to enable teachers to deliver art classes with ease. Furthermore, CPD sessions are also available to train teachers how to use these teaching products.

Dean the Art Wizard is fully aware of the budgetary constraints all schools are facing and the development of these new products is one small way of helping schools to manage their budgets.

CPD Day **ART PACKS - ART CLASSES IN A BOX**

The first CPD day has been organised for Wednesday 19th of January 2011 at Sherard Primary School.

Dean will be offering a brand new service to all Melton Schools, offering CPD & a brand new self-contained Art Pack.

★ The aim of the day will be for your staff member to be confident in creating simple human form sculpture techniques. Staff skills could then be shared with other staff members who would then pass them onto KS 2 pupils.

★ The benefits of learning these key skills are that staff will learn different ways of creating human figurines.

★ You will also learn the basic skills in animation & an insight into future concept product launches

★ A **free** training video will also be filmed on the day and this will be provided to all participants of this CPD day. This will be free of charge.

★ We require feedback on the day as we hope teachers' contributions to this CPD day will help them and us to evaluate the entire teaching and learning process.

Additional help and further feedback will be required once sculpture pack has been utilized by each school. We provide 3 months free support after the event either by email, telephone or additional online video footage (on request)

Costs for CPD day?

£600.00 costs will be shared by all interested schools. A minimum of 10 schools will be required to make this viable, if all 16 schools participate it will only cost £37.50 per staff member this includes material costs! A bargain!

Product can be ordered on CPD day!

If you would like to register for a member of your staff for his brand new CPD day or have any questions, please email Dean dean@artwiz.co.uk or Alison Wright headteacher@sherard.leics.sch.uk. All registrations must be made by **1st December 2010**. More in-depth details will be provided soon. For more details visit Dean The Art Wizard website www.artwiz.co.uk.
